Re: Request for Payment of Attorney's Fees from Frederick Bateman

Dear Georgia:

The County Attorney's Office is in receipt of correspondence and an invoice from Frederick Bateman, who apparently served as counsel to Commissioner Rudy Maloy during the negotiations for resolution of the FCHR and Title VII claims which have been made against Commissioner Maloy.

Since the County Attorney's Office was not involved in the actual hiring of Mr. Bateman to act as counsel to Mr. Maloy, we are forwarding this bill to the Florida Association of Counties Trust for your further handling.

If our office can provide you with additional information on this matter, please contact the undersigned at your convenience.

Sincerely yours,

Re: Ophelia Morris, et al v. Leon County

Dear Herb:

Please find enclosed a bill for attorneys' fees incurred by Commissioner Rudy Maloy in the matter of Ophelia Morris, et al. v. Leon County. As you know, a Demand for a defense for Commissioner Maloy was made to Bliss McKnight. Bliss McKnight indicated to me that is was acceptable I serve as Commissioner Maloy's counsel in regard to this matter. Later, they contradicted this representation. I am now in the process of arbitrating with them for both the enclosed \$64,465.55 fees and an additionally amount which was incurred in attempting to collection those funds for a total of \$90,766.60. I believe that under the appropriate statutes, Leon County ordinances, and public policy, Leon County is responsible for reimbursing Mr. Maloy for the amount of \$64,465.55, for the defense of the civil suit. As you know, Mr. Maloy did not want to settle the suit, but was driven to by Bliss McKnight who threatened to settle the case without him.

I would appreciate it if you would contact me to discuss this matter.

Very limity Your

Frederick L. Bateman, Jr.
